My Dear Mr. Dulles;

Here is the "FIRST DAY COVER" honoring your brother sent for your autograph sir, just as you promised me you would. The cover will be mounted in a special frame I have made of you and your brother. It is too bad I do not have one of John's autograph that is.

I want to thank you sir for anything you may decide upon in this matter. Wishing you Godspeed and all the luck in the world sir.

I Remain Very Sincerely yours

Mr. Victor G. Phaneuf
